Present: Susan Lorenz (SECOG), Rita Anderson, Mike Vice, Mark Lowe, Cathy Sher, Randy Benglan and Trish Avery

Diversity Cathy Sher led the committee on an exercise on Diversity. She stated that Diversity is the seconded item in the vision statement. Each committee member shared the first thing that comes to mind when they hear "Diversity". The list included: ethnic, religious, differently abled, mixed back ground, sexual, economic, color/race, culture, and education.

The committee read the definition and history of diversity. It was noted that diversity has a much broader definition than the committee had come up with.

Cathy was asked to review one of the chapter which the committee has worked on and make recommendations on where or if there should be anything added regarding diversity.

Flow Chart Susan showed the committee the flow chart and noted the completed items. The committee is pleased with the progress.

Optimizing Resources

The committee worked on the Optimizing Resources. Susan had printed all the work on the chapter on cards. The committee worked on organizing the statement cards into goals and strategies.
