### **Review & Edit Housing Chapter**

The committee worked on the review and edit of the work which had been done of the Housing Chapter. It was noted that there are some of the paragraphs in the last section of the Housing Chapter which appeared to be repeated from the Business Development and Recreational Opportunities Chapter.

Mike will send the work that was done on the Housing Chapter to the committee. Trish will send the committee the Business Development and Recreational Opportunities Chapter. The committee will review these chapters and make notes so that the Housing Chapter can be quickly completed and move on to the review and edit of the Optimizing Resources Chapter at the next meeting.

Rita commended Mike for how smoothly he was able to make the changes on his laptop while the group made suggestions. The committee decided that it would be helpful to have Mike bring and use his laptop and projector to make the changes on the chapters as the committee work on them which will free up Susan Lorenz to facilitate the meetings with more ease. Mike agreed to be prepared to do so.

### **Next meeting date and time**

The next meeting will be held on April 26, 2010 at 6:00 p.m.

The meeting adjourned at 7:34 p.m.
