

Notes of the Comprehensive Plan Meeting held Monday, April 26, 2010 at 6:00 p.m. at Lava City Hall, 115 West Elm, Lava Hot Springs, Idaho

Present: Susan Lorenz (SECOG), Rita Anderson, Mike Vice, Vicky Lyon, Cathy Sher, Randy Benglan and Trish Avery (Mark Lowe was on an ambulance call)

Housing: The committee reviewed the work that had been done on the Housing chapter at the April 12, 2010 meeting. Randy noted that the statements do not seem to be organized into Goals and Objectives. Susan will work on organizing the statements into goals which are followed by the objectives for each goal and so forth. This will make the plan more user friendly. The committee worked through the edits on the remainder of the chapter.

Cathy stated that at the community meeting there was much said about diversity. She said that we had not yet included diversity into any of the work that has been done. A note way made to include Lava's definition of diversity into the plan as well as using diversity in the plan where it is appropriate.

Optimizing Resources:

The Housing chapter took longer to finish than expected so no work was done on the Optimizing Resources chapter. Susan reported that she has prepared a different way to work on the Optimizing Resources chapter. She hopes that the new way will help the group to work through it in a faster, more efficient way. The committee will work on the Optimizing Resources chapter at the next meeting.

Next Meeting: The next Comprehensive Plan Committee meeting will be held on May 10, 2010 at 6 p.m.

Adjournment: The meeting adjourned at 7:35p.m.
